This is a good status update. You have options for a quote, here is some general text to start with:

"EPA is committed to a comprehensive investigation and cleanup of the CFAC site," said Mike Cirian, EPA Remedial Project Manager. "The work is on schedule and EPA will continue to work with CFAC and project stakeholders to ensure the site can be returned to conditions suitable for redevelopment."

Mike,
We will be issuing this press release today. I am more than happy to add a quote from you if you'd like. We will issue the release to the local media for the Columbia Falls/Kalispell area. Please let me know if you'd like to add something. I need input by noon, EST, today to allow us to make the *Hungry Horse* deadline.
Mary
